Guilford Technical Community
College

Nov 2012

ABOUT ME

Hello! I'm an animator with a decade of professional experience working for 20th Television Animation, Warner Bros. Discovery, ShadowMachine, Starburns Industries, and many others. My specialties are 2D rigged + traditional animation and compositing using Toon Boom Harmony and Adobe software. My passion is working closely with diverse teams, styles, and mediums to tell animated stories.

WORK EXPERIENCE

Newscape Studios Inc.

Sept 2025 - current

Freelance Harmony Animator and Compositor - Contract

Project: Gametoons (YouTube Channel)

- Duties: Character animation, FX, compositing, and QC with input from director and supervisors.
- Created Harmony assets and props per direction from supervisor.
- Animated an average of 25 shots per week during peak production periods.
- Problem-solving and troubleshooting within the Harmony and Photoshop software while meeting deadlines.
- Attended daily meetings and check-ins with leads and animators.

20th Television Animation

Oct 2022 - Aug 2025
